

Welcome to Voter.Vote!

Win your contest with our “campaign in a box” software, designed to simplify and enhance every aspect of political campaigning – from down-ballot candidates to sophisticated political consultants alike.

Free Services Include:

- **Free Budget Estimator:** Figure out how much money you need to raise. Project campaign expenses based on your contest and the characteristics of your likely voters.
- **Customizable Campaign Timeline:** Predict dates when each voter’s ballot will be received by the Registrar of Voters or vote at the polls. Plan your campaign with our timeline tool.
- **Vivid Analytics:** View segmented demographics of voters in understandable graphical formats.

Tackle Common Outreach Challenges:

- **Affordable Voter Data:** Enjoy a minimum 20 percent discount on voter files over PDI & NGP VAN. Don’t pay separately for walk /canvas, direct mail, email, text, social media, etc. lists. Effective 6x savings.
- **Direct Mail Cost Minimization:** Spend on expensive direct mail only for voters that cannot be reachable using less costly electronic outreach methods such as email, text and social media.
- **Get Emails Actually Delivered:** Get emails unblocked. See who has opened / clicked emails.
- **Precision Social Media Targeting:** Target likely voters, not just followers.
- **Free Walk /Canvas, Text, Email, GOTV, Social Media & Direct Mail:** All included with voter list.
- **Directly Text Validated Cell Phones:** No complex exports. Even use your own text provider.
- **Integration of Canvassing Results:** Incorporate household walk / canvassing results to refine outreach strategies. No expensive direct mail to voters who give a hard YES or NO at the door.
- **Minimize Voter Irritation.** Get our master block list of political email & text complainers.
- **Find Non Obvious Voters:** Find the non-4/4 voters who will actually vote in your election.
- **Digital Outreach Maximization:** We can find email addresses & cell numbers not in voter files.
- **Manage multiple campaigns:** Manage multiple campaigns, budgets and candidates.

Special Offers and Learning Opportunities:
